Pruning

Please join me in thanking Dick Staufenberg, Tina Staufenberg, Patricia Copeland, Amy Kusic, and Debbie McCombs for pitching in to help with the reshaping and renewal of our lovely lilac bushes and other shrubbery. Thanks also to Ed Kemp for his very athletic tree trimming and to our visitor, Elizabeth Doyle for helping me to shape some other trees and bushes. We have a lovely setting and it is only with help from volunteers that we keep it so healthy and nice looking.

Mary Anne Sharer

*Mary Anne would love to train others to prune.
Please contact her if you are interested!

Long Range Planning

There is now a button on our website's main page to access information from our Long Range Planning Committee.

T-Shirts

What's does **Red** and **Green** remind you of?
Of course, port and starboard. It also reminds us of the upcoming December Holiday Season which is fast approaching! Get a jump on your holiday shopping by buying 2018 red or green T-shirts for the kids, grandkids, and kids at heart in your life.

We have small and extra large sizes in red and green left. At \$5.00 each they make great stocking stuffers and a great way to help the club!

We also have 2019 shirts left for \$15.00! Help the club and buy some shirts! To purchase see Lissa or Stephanie this weekend at the DCLSA Fall Meeting, the Commodore's reception or just around. You can also email Lissa with your order at lklueter@icloud.com.
