## FORWARD

A Note from Your Editor,

As I sit here typing up the myriad of e-mails I've received in the past 24 hours in preparation for publication, I often find myself in awe. As you scroll through this newsletter, think about the sheer quantity of things that have happened at our club in just one week, what is coming up, the diversity, and the amazing fact that this is nearly 100% volunteer based. What a place, what a group . . .

Sarah Nill  
DCLSA Secretary

*P.S. I am looking for an assistant editor to help me share all this great news! If you are interested, simply reply to this e-mail.*

## **SAILING NEWS** from Joni Palmer

**It was an absolutely beautiful sailing weekend on Deep Creek Lake this past weekend.... with the blue skies, the white puffy clouds, the green mountains, the clear water, gentle breezes, and the colorful boats and spinnakers... in between tacks upwind we kept on saying 'it just does not get any nicer than this!'.  
There were alot of new sailors out on the water over the two days. we were excited to see Kenneth Yonke and Bryce Nill sailing together. John Meredith had new friends out sailing. Charles Buffington and Mark Haraway teamed up in a boat. And Sarah Nill was out sailing for the first time in a long while and is so excited to be in a FS again!**

**Sailing School News  
from Sue Wolffe**

**The Deep Creek Sailing School opened its instruction season with a great group of students! On one day, Optimis, Teras, Lasers, a Flying Scot, and a 420 were all out on the water at the same time!**

**Winds were a bit of a challenge at times, but fun times were had by all. Two sisters totally rocked in the 420!**

**The week ended with blue skies, fair winds, and an entertaining closing ceremony.**

**Kudos to our awesome instructors for a job well done!!**
