Pruning & Weeding Our Club Grounds

Many thanks to Debbie McCombs and Amy Kusic who showed up just before the rain on Tuesday to help with pruning. After about an hour, Debbie wisely decided to get out of the rain. Amy and I, being pretty wet already, decided to stay and to tackle the overgrown mess in front of the Club. I hope you will all check it out as we have exposed the lovely and very old wild rhododendron which has been there for MANY years and also a special mountain laurel. And thanks, too, to Abe Getty who came along

and offered to remove and dispose of the huge pile of branches we left.

Pruning can be a lot of fun and there is plenty more to do, and it's a good way to get to know fellow Club members.

Do come join us the next times -

UPCOMING MARSH MOUNTAIN MUSIC EVENTS:

The Marsh Mountain Consort (MMC) is a group of 7 advanced amateur musicians who play music of the Renaissance and Baroque Periods on Recorders and Viola da Gambas. Four of those players are Yacht club members: Tom Johnson, Marci McClive, Carol and Dan Muss.

They will give a free concert at our club, in the Trophy

Room, at 5:30 PM, just before the **International Pitch-In on Saturday, August 31**, Labor Day weekend.

A few days later Carol and Dan will host an early music workshop at their home that will include 5 other musicians (professional and semi-professional "ringers"). The workshop will be led by eminent coach, Larry Lipnik, from NYC.

Then, this early music orchestra will give a concert at **St Marks Lutheran Church on 2nd Street in Oakland at 3:00PM on Saturday, September 7**. This concert is free and open to the public.

Hope to see you there!
