I understand that the success of the club is dependent on the willingness of members to participate in club activities and I am willing to assume the responsibility of membership.

Please list specific skills or talents you have that you can offer to the purpose of the club.

I also understand that the lake use, particularly the club docks, moorings, and the launch ramp, are all regulated by the Maryland Department of Natural Resources (DNR), and that members must respect the rules and regulations of the DNR. Moorings for motorboats are no longer available and there may be a waiting list for moorings for sailboats. Dry-sail assignments will be treated as moorings.

I make this application with a complete understanding and acceptance of the terms, conditions, privileges, and restrictions governing membership in the Association, and with the further understanding that dues, fees, assessments and rules may be changed by actions taken in accordance with the By-Laws.
